CAMINO, CALIFORNIA

SNOW REMOVAL AND SANDING POLICY
(Adopted January 2004)

The policy of the district is to keep Audubon Drive open, to that end the following policy is hereby established;

When the depth of snow on Audubon Drive reaches four (4) inches and two directors agree, plowing will be requested. Sanding will also be requested following each snow removal.

During icy conditions, when snow removal is not required, sanding of Audubon Drive will be requested when two directors agree that the condition of Audubon Drive warrants it.
